

Simply Silent[™] DX100B

4" / 100mm Axial Extract Fans

The Simply Silent DX100B intermittent extract fan range is designed for those looking for something conventional, with a modern twist. These fans control humidity, odours and mould growth effectively in bathrooms, shower rooms, cloakrooms and toilets.

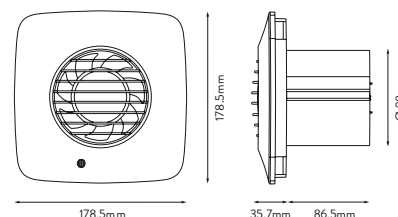

The Simply Silent DX100B range features a traditional square grille-style fascia finished in cool white. The products have 2 speeds, selectable at install and are suitable for wall, ceiling and window fitting (note window fitting requires Simply Silent Window Kit Plus = 93235AA)
